

Dear Coaches & Parents,

We are excited that your team will be joining us this weekend at Rocker B Ranch!

We apologize for the long letter - but feel it is important that everyone attending the tournaments is informed. [Please review this letter carefully:](#)

WAIVER

Prior to being able to play baseball at Rocker B Ranch, we must receive a waiver for each family. This should list ALL FAMILY MEMBERS that will be present at Rocker B Ranch. These should be given to your coaches which will then collect them and bring them to the ranch Tournament Office upon check in. We must have one for each family before players will be allowed on the field.

GENERAL STORE - TOURNAMENT & HOTEL CHECK-IN

New this year - we have our own Rocker B General Store. This is the home of hotel check-in as well as tournament check-in. Come by and check out our Rocker B Ranch merchandise as well as snacks, drinks, fishing gear and sundries. Please see the attached property map for details.

MASKS

While masks are not required, we strongly suggest wearing masks and encourage you to take advantage of our open spaces to maintain social distancing.

FRIDAY GATES OPEN AT 4:00PM

Please note that we will open the gates to the ranch on Friday at 4:00PM. We will not be able to receive hotel guests, coaches or players before this time.

WATCHING GAMES

- We are encouraging all spectators to bring a lawn chair and pop up tent which you may set up in the Byrd Family Field outfield. This is a beautiful, raised landscaped area that is the perfect spot for watching games on the Byrd Family Field. Locations will be available on a first-come first-served basis, however it is a large area with ample space. **NO TENTS WILL BE ALLOWED IN THE BYRD FAMILY FIELD GRANDSTAND AREA.**
- On the HK Bonds field, spectators may set up chairs on the first base and third base lines and also the upper viewing deck, but we ask you not to set up tent structures in these areas.
- Please keep social distancing in mind when setting up chairs.

- The new Andrews Field has a large covered seating area but we are not sure our bleachers will be ready for the first two tournaments so please bring lawn chairs.
- We are asking that the bleachers and chairback seating on all fields be reserved for parents of children currently playing on that field.
- We have limited seating in our bleacher sections, therefore, we again encourage you to bring a lawn chair.

CLEANING/SAFETY MEASURES

- We ask that all players, parents and spectators take their temperatures before heading to Rocker B Ranch. Anyone with a temperature above 100.0 should STAY HOME and seek medical attention.
- We will be sanitizing dugouts and bleachers occasionally throughout the weekend.
- WE WILL NOT allow any chewing tobacco or sunflower seeds during our tournaments this year.
- We will have hand sanitizer available throughout the ranch
- There will be no handshakes between teams after games. However, we encourage the teams to line up on their own baseline and tip their hat to their competitors.

FOOD & BEVERAGE SERVICE

We are excited to announce that Magdalena’s will be providing the food service during our baseball tournaments. The concession/dining area is located in The Clubhouse. Breakfast, lunch and dinner will be served. You may also order food in The Dugout Bar until 10PM. Additionally, they will have a Taco Truck right next to the Byrd Family Field as another dining option for lunch and dinner. See the attachments with our menus for the concession stand/grill, bar menu and Taco Truck menu. We will also have some grab & go options in The Dugout Bar and General Store. For your convenience, here is summary of our food & beverage service & hours:

OUTSIDE FOOD & BEVERAGE

- We normally have a policy not allowing any outside food or beverage. However, this year we will be easing on that policy allowing individuals to bring in small coolers for non-alcoholic beverages only. You may also bring outside snacks or food. However, the Magdalena’s food is awesome and we hope that you will try out our delicious offerings! **NO ALCOHOLIC BEVERAGES CAN BE BROUGHT ONSITE.**
- In order to keep tables open for patrons purchasing food & beverage from our concession stand - we will not allow any outside food or beverage into our indoor concession stand area.
- **NO GLASS BOTTLES** allowed for safety reasons.

- Due to Covid recommendations we WILL NOT have water coolers in the dugouts this year - so please make sure that players bring individual water jugs so they stay properly hydrated. Again - we will have water and Gatorade available for purchase in our concession stand.
- **WE WILL NOT BE ABLE TO FILL UP PERSONAL WATER JUGS OR YETI CUPS. PLEASE PLAN ACCORDINGLY!**
- **WE HAVE A TABC LIQUOR LICENSE - so we can not allow any outside alcohol to be brought onto the property. This policy will be strictly enforced. This policy includes hotel guests as well.**

- The pool will be open, however, we ask that **EVERYONE BRING THEIR OWN BEACH/POOL TOWEL**. For your convenience, here is a summary of our pool hours:
